Attached is the executed insurance document as requested.

It will take several days to generate a check. Let me know if this is a problem.

Excellent - thanks for handling, would it be okay for me to follow up with Mercedes tomorrow afternoon? Btw, copy that w regard to the non-profit paperwork ..I filed as soon as you gave me the first set but will be correcting with them - it's really tough to get them to respond to anything but it will be revised ..it has been a measured pace with my rapport w the lieutenant in charge regarding many moving parts to push this street permit thru ..promise to get that handled too. Thanks Don, I see the finish line :)

Thanks Cynthia...

I just spoke with Mercedes at Kohly Insurance. She understands how the 2 farmers markets are separately organized and will issue a proper policy and certify it at Track4LA.com for the SWFM, the new 501c3. Hopefully this will be done tomorrow.

Mercedes, here's the link for you: <http://track4la.lacity.org/>

Cynthia, I noticed in the email that you forwarded that the BSS paperwork seems to have the wrong 501c3 name. (Remember I sent

the wrong paperwork, then corrected it? The correct title of the organization entity is: Sunday Westchester Farmers' Market (SWFM). And mention of the "WTC BID Charitable Non-Profit Corp" is incorrect and should be deleted.

Hi Don,

Sorry to check in on this again as I know you are moving moving but we should really get this into the Street Services by tomorrow as it will only give them next week (5 business days to process) and something tells me something will come up in the mix of it that we'll need to address quickly. Once we have this in and the fire inspection our application will be complete. For the insurance, we need to file through <http://track4la.lacity.org>, get the confirmation number once it is processed and also get a copy of the policy.

If we don't connect between have great rest of your day,

Here anytime,

Best,

Cynthia

Hi all,

We just submitted our application on-line and all looks good. The next step is to have our insurance agent submit as detailed:

- "proof of insurance to the City Risk Management Section through their online application at <http://track4la.lacity.org>; only insurance approved through the Track4LA system (<http://track4la.lacity.org>) will be accepted." (doc attached)

Don - can you connect this through with the insurance agent?
Information regarding the market detailed below and the instructions for the insurance agent are also attached.

Exciting! We are nearly to the finish line :)

Best,

Cynthia
